

# Mission Check Files Objective Check Every Attached File And Tell Me What Each Fi

## Mission Check Files Objective: Check Every Attached File and Tell Me What Each File Contains

##### Current Mission Context:

- **Mission ID:** M-002
- **Mission:** check files
- **Type:**
- **Priority:**
- **Autonomy:**

##### Source Files:

1. `input/e5d9435a428f42a8894171a537979ee0\_504534-ClaimForm (2).pdf`
2. `input/e87332ac08c7481d811f494bd485242d\_taxpnl-XPS449-2025\_2026-Q1-Q4.xlsx`
3. `input/73be054460234b0cbfdeea2c44338d75\_VasudevaReddy\_P\_Resume (2).docx`
4. `input/95b7ee16d3d642ab9735780da2a4573a\_txt.txt`

##### Important Source Rules:

- These files are the authoritative source inputs.
- Read the ACTUAL CONTENT of every supplied file before answering.
- Do not infer a file's contents from its filename.
- Do not invent missing measurements, records, observations or facts.
- Do not overwrite or modify source files.
- Do not create an artifact unless the user explicitly asks for one.

##### Evidence Review Mode is Active:

The user's goal is to understand the supplied files. You MUST inspect every supplied source file. There must be one reading step for every supplied source file. After all files are read, synthesize a conversational answer. Do NOT create a PDF, DOCX, PPTX, XLSX, CSV, chart, or other artifact unless the user explicitly requests that artifact.

##### Target File:

`output/mission-check-files-objective-check-every-attached-file-and-tell-me-what-each-fi.pdf`
